Our World (includes animals, bodies)

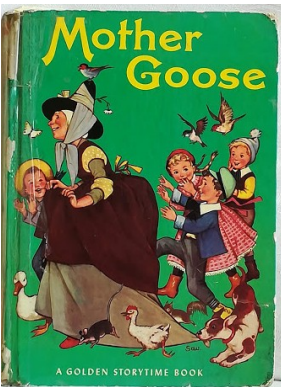

The Arts: Music & Art

Doing (includes interests, jobs, etc.)

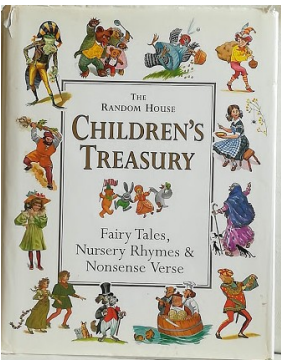

Going (includes transportation, adventures, etc.)

Living (includes food & clothes, all in a day, bedtime, etc.)

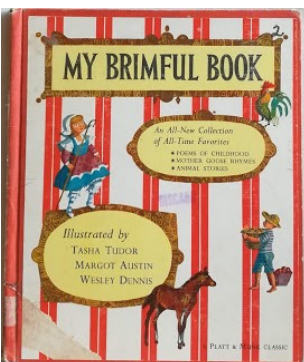

Learning (includes families, feelings, holidays, etc.)

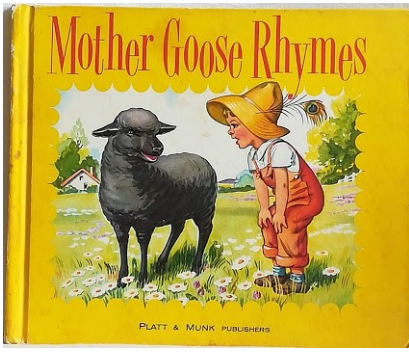

The Mother Goose book that I grew up with and loved.

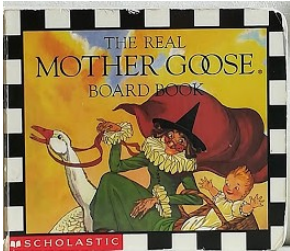

A book I saw as an adult and acquired.

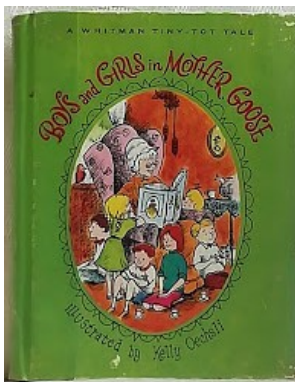

An older book that made its way into my collection.

Loved the illustrations in this, for my various projects (like quilt making) . . . so found a way to acquire it on line.

Board Book—classic illustrations and limited text facing each picture.

Mother Goose Rhymes that involve children—naughty or nice. . . seemingly mostly mischievous.
